Background:

The HFSA Lifetime Achievement Award is presented by the Executive Council of the HFSA. The purpose of this award is to recognize a lifetime body of work by an individual who has made a significant and sustained contribution to the field of heart failure.

The 2013 Lifetime Achievement Award, consisting of a special gift and plaque, will be conferred during the Annual Scientific Meeting of the Heart Failure Society of America (September 22-25, 2013; The Peabody Orlando Hotel, Orlando, Florida).

In establishing this award, the HFSA pays tribute to a body of work by a renowned clinician/researcher in advancing the field of heart failure.
