2015 Moderated Poster Sessions

Format

Moderated Poster Sessions will be set up as professor-led tours allowing poster presenters to share their science with HFSA attendees in an interactive format.

During each Moderated Posters Session tour, a poster professor will lead attendees through the poster area stopping at 4 assigned posters. The poster presenter will be expected to present their poster to the poster professor and conference attendees succinctly and be prepared to answer questions or discuss their project. Each poster presenter will have approximately 5 minutes to present highlights of his or her work, followed by 3-5 minutes of Q&A from the poster professors and attendees.

Location and Schedule

Moderated Poster Sessions will take place in the Exhibit Hall during poster receptions. Presenters will be asked to participate in one of the following:

- **Moderated Poster Session I** – Saturday, September 26, 6:30-7:30 PM
- **Moderated Poster Session II** – Sunday, September 27, 5:30-6:30 PM

*Presenters MUST be present at their poster for the entire time of the assigned Moderated Poster Session.*

Check-in

Both presenters and poster professors should check-in to the Poster Tour table setup directly outside the general poster area 10 minutes prior to the session start time. Poster professors will be given the final schedules along with voice amplifiers to start the tours.
