A DeBakey Institute for Cardiovascular Education & Training event
DeBakey Institute for Cardiovascular Education & Training is an epicenter for cardiovascular academic and clinical educational programs that support the provision of optimal care to patients suffering from heart failure. Building on Dr. Michael E. DeBakey’s commitment to excellence in education, Houston Methodist is dedicated to providing medical education and training that will enable providers to cover the most recent treatments for chronic heart failure, pulmonary/hypertension and hospital admissions as well as treatment options for cardiac shock and end-stage heart failure.

Theme: Optimizing Heart Failure with Low Ejection Fraction 
Revascularization for Patients with Low Ejection Fraction

Guillermo Torre-Amione, MD, PhD
Pro-Heart Transplant: Case Presentation: Laurie Letarte, MD

Debate: Options for End-Stage Heart Failure with Preserved and Reduced Ejection Fraction

Brian A. Bruckner, MD
A Disease Management Approach

Myung H. Park, MD
An Emerging Paradigm Shift

Arvind Bhimaraj, MD
Update in Pulmonary Hypertension: Endothelial Dysfunction

Miguel A. Valderrábano, MD
Optimizing Heart Failure with Preserved Ejection Fraction

Imad Hussain, MD
State of Heart Failure with Preserved Ejection Fraction in 2017

Jerry D. Estep, MD
Welcome and Overview

Registration and Breakfast

AGENDA:
Jan. 19, 2017, unless the room block has already been filled. RESERVE YOUR ROOM EARLY.

Please ask your hotel at events.houstonmethodist.org/houstonheartfailure for more information.

For information about other Houston Methodist CME activities, visit events.houstonmethodist.org/cme

Program Overview
The program will provide a comprehensive update on the prevention, diagnosis and management of heart failure. Experts in the field will present topics and engage in panel discussions and case-based presentations. Sessions will cover the most recent treatments for chronic heart failure, pulmonary hypertension and hospital admissions as well as treatment options for cardiacogenic shock and end-stage heart failure.

Target Audience
Physicians, physiatric assistants, nurse practitioners, nurses, residents/fellows and other health care professionals in cardiology and cardiovascular specialties, internal medicine and family practice will benefit from this course.

Educational Objectives
At the conclusion of this activity, the participant should be able to:

1. Discuss new and novel treatments for treating chronic heart failure.
2. Participate in case-based presentations for the diagnostic evaluation and management of heart failure.
3. Evaluate the latest evidence, therapies and strategies to prevent and manage heart failure.

Educational Methods
• Didactic Presentation
• Question and Answer Sessions
• Panel Discussions

Accreditation and Credit Designation Statements

Physicians
Houston Methodist is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

You should claim only the credit commensurate with the extent of their participation in the activity.

Non-Physician
Houston Methodist is an approved provider of continuing education by the Texas Board of Nursing (provider #716100) and is approved by the American Nurses Credentialing Center’s Commission on Accreditation.

Houston Methodist provides up to 6.0 contact hours for this activity. Participants must attend each session in their entirety and complete the corresponding item on the evaluation tool.

AIDS Statement
In compliance with the Americans with Disabilities Act, Houston Methodist will make reasonable efforts to accommodate persons with disabilities at this symposium. Please call 713.441.4971 for further information, or if you need special assistance.

Evaluation
Evaluation via an online questionnaire will address program content, presentation, and possible bias.

Cancellation/Refund Policy
Requests for refund must be in writing and received by the OCME at least 10 business days before the course begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the cut-off date will not be processed. Cancellations are subject to an administrative fee deducted from the registration fee paid to cover guarantee and other expenses. Requests should be mailed to the OCME or faxed to 713.441.0589.

Program Overview:
The program will provide a comprehensive update on the prevention, diagnosis and management of heart failure. Experts in the field will present topics and engage in panel discussions and case-based presentations. Sessions will cover the most recent treatments for chronic heart failure, pulmonary hypertension and hospital admissions as well as treatment options for cardiacogenic shock and end-stage heart failure.

Target Audience:
Physicians, physician assistants, nurses, residents/fellows and other health care professionals in cardiology and cardiovascular specialties, internal medicine and family practice will benefit from this course.

Educational Objectives:
At the conclusion of this activity, the participant should be able to:
• Discuss new and novel treatments for chronic heart failure
• Participate in case-based presentations for the diagnostic evaluation and management of heart failure
• Examine the latest evidence, therapies and strategies to prevent and manage heart failure

Educational Highlights:
• Doctoral Presentations
• Question and Answer Sessions
• Panel Discussions

Accreditation and Credit Designation Statements:
Physicians
Houston Methodist is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Houston Methodist designates this live activity for a maximum of 5.75 AMA PRA Category 1 Credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses
Houston Methodist is an approved provider of continuing nursing education by the Texas Nurses Association—Approval, an approved sponsor by the American Nurses Credentialing Center’s Commission on Accreditation. Houston Methodist provides up to 5.75 contact hours for this activity. Participants must attend selected sessions in their entirety and complete the corresponding items on the evaluation tool.

ADA Statement:
In compliance with the Americans with Disabilities Act, Houston Methodist will make reasonable efforts to accommodate persons with disabilities at this symposium. Please call 713.441.6471 for further information, or if you need special assistance.

Evaluation
Evaluation via an online questionnaire will address program content, presentation, and possible bias.

Cancellation/Refund Policy
Requests for refunds must be in writing and received by the OCME at least 10 business days before the course begins. The date the fee is requested is by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to an administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.441.5068.

The OCME reserves the right to cancel activities, fewer than 10 business days before the scheduled dates. Withholding innovations makes it necessary. Registrants will be notified if the contact number indicated on the registration form followed by written notification. If an activity is canceled, OCME liability is limited to the registration fee paid. No hotels or expedite tours made by check, a Social Security number is required to process refunds.

Disclosure
This CME activity is designed for use by health care professionals for educational purposes only. Discussions of the evaluation, diagnostic and treatment principles and techniques are presented without reference to specific product uses. The participant should use his/her best judgment in applying the information presented to the care of patients with heart failure.

For information about other Houston Methodist events, please visit events.houstonmethodist.org or call 713.796.3333.

Building on Dr. Michael E. DeBakey’s commitment to excellence in education, Houston Methodist DeBakey Institute for Cardiovascular Education & Training is an apex for cardiovascular academic and clinical programs that support the provision of optimal care to patients suffering from cardiovascular conditions and diseases.
