Program Overview

This program will provide a comprehensive update on the prevention, diagnosis and management of heart failure. Experts in the field will present topics and engage in panel discussions and case-based presentations. Sessions will cover the most recent treatments for chronic heart failure, pulmonary hypertension and hospital admissions as well as treatment options for cardiogenic shock and end-stage heart failure.

Target Audience

Physicians, physician assistants, nurse practitioners, nurses, residents/fellows and other health care professionals in cardiology and cardiovascular specialties, internal medicine and family practice will benefit from this course.

Educational Objectives

At the conclusion of this activity, the participant should be able to

- Discuss new and novel treatments for treating chronic heart failure
- Participate in case-based presentations for the diagnosis, evaluation and management of heart failure
- Examine the latest evidence, therapies and strategies to prevent and manage heart failure

Educational Methods

- Didactic Presentations
- Question and Answer Sessions
- Panel Discussions

Accreditation and Credit Designation Statements

Physicians

Houston Methodist is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Houston Methodist designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

Houston Methodist is an approved provider of continuing nursing education by the Texas Nurses Association – Approver, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Houston Methodist provides up to 6:0 contact hours for their participation in the activity. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

ADA Statement

In compliance with the Americans with Disabilities Act, Houston Methodist will make reasonable efforts to accommodate persons with disabilities at this symposium. Please call 713.441.4971 for further information, or if you need special assistance.

Evaluation

Evaluation via an online questionnaire will address program content, presentation and possible bias.

Cancellation/Refund Policy

Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the course begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to an administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.441.0589.

The OCME reserves the right to cancel activities, not fewer than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is canceled, OCME’s liability is limited to the registration fee paid. Note: If payment is made by check, a Social Security number is required to process the refund.

Disclosure

This CME activity is designed for use by health care professionals for educational purposes only. Information and opinions offered by the contributors represent their viewpoints. Conclusions drawn by the participant should be derived from careful consideration of all available scientific information. Prescription information and use of medical devices should be undertaken only after confirmation of information by consulting the FDA-approved uses and information.

Houston Methodist makes every effort to have accurate information presented; no warranty, expressed or implied, is offered. The participant should use his/her clinical judgment, knowledge, experience and diagnostic decision-making skills before applying any information, whether provided here or by others, for any professional use.

AGENDA: FRIDAY, FEB. 10

7:00 a.m. Registration and Breakfast
11:10 a.m.

7:50 Welcome and Overview
Jerry D. Estep, MD

8:00 KEYNOTE SPEAKER
The Current Heart Failure Epidemic
Mark Dzau, MD, MSc

8:45 Question and Answer

9:00 Quality Perspectives for Heart Failure — A Disease Management Approach
Miguel A. Valderrábano, MD

9:15 Question and Answer

9:20 Update in Pulmonary Hypertension: An Emerging Paradigm Shift
Optimizing Heart Failure with Low Ejection Fraction
Imad Hussain, MD

9:35 Question and Answer

9:40 Break and Exhibits

9:50 The Role of Cardiac MRI in Heart Failure
Milton Packer, MD

10:05 Question and Answer

10:10 State-of-the-Art Cardio-Oncology Review
Barry H. Trachtenberg, MD

10:25 Question and Answer

10:30 State of Heart Failure with Preserved Ejection Fraction in 2017
Mark Dzau, MSc

10:45 Question and Answer

10:50 Optimizing Heart Failure with Electrophysiology Interventions
Ashrith Guha, MD, MPH

11:05 Question and Answer

11:10 a.m. Team Approach to Management of Cardiogenic Shock:
Moderator and Case Presentation:
Ashrith Guha, MD

PANEL: Brian A. Bruckner, MD, Erik E. Suarez, MD, and Jerry D. Estep, MD

12:05 Noon Lunch and Exhibits

1:00 p.m. KEYNOTE SPEAKER
Update on Novel Therapies for Heart Failure
Milton Packer, MD

1:15 Question and Answer

1:20 Identifying Advanced Heart Failure
Jerry D. Estep, MD

1:35 Question and Answer

1:40 Break and Exhibits

1:50 Debate: Options for End-Stage Heart Failure
Heart Transplant or LVAD
Milton Packer, MD

Moderator: Scott A. Scheinin, MD

Case Presentation: Laurie Letarte, MD

Pro-LVAD: Brian A. Bruckner, MD

Pro-Heart Transplant:
Guillermo Torre-Amione, MD, PhD

PANEL: Hany Samir, MD, Arvind Bimaraj, MD, and Erik E. Suarez, MD

2:25 Rebuttals and Audience Discussion

2:30 Case-Based Presentation: Surgical Revascularization for Patients with Low Ejection Fraction
Mahesh Ramchandani, MD

3:25 Question and Answer

3:30 Closing Remarks and Adjourn
Myung H. Park, MD
